

K-LOVE radio is important to my family, friends, community and church. It is a widely supported radio station in our community and surrounding areas. I start my day with K-LOVE, listen to K-LOVE at work and on the way home. It is POSITIVE music with a message that helps me to have a joyful day EVERY DAY. If K-LOVE is displaced by an LPFM broadcasting station, I believe it would be devastating to our community and me. I want to be able to hear POSITIVE output. I do not want to listen to any NEGATIVE music that may play on other stations. I believe K-LOVE is important to build family, community and personal harmony, peace and joy in our daily lives. Please do not displace K-LOVE radio with an LPFM broadcaster. Thank you.
